

A DAY AS JUNIOR MARINE BIOLOGIST

IDEAL FOR YOUNG OCEAN EXPLORERS EAGER TO DEEPEN THEIR KNOWLEDGE AND LOVE FOR MARINE LIFE!

DATE: FRIDAY, 01ST NOVEMBER 2024

VENUE: EXPLORER KIDS CLUB

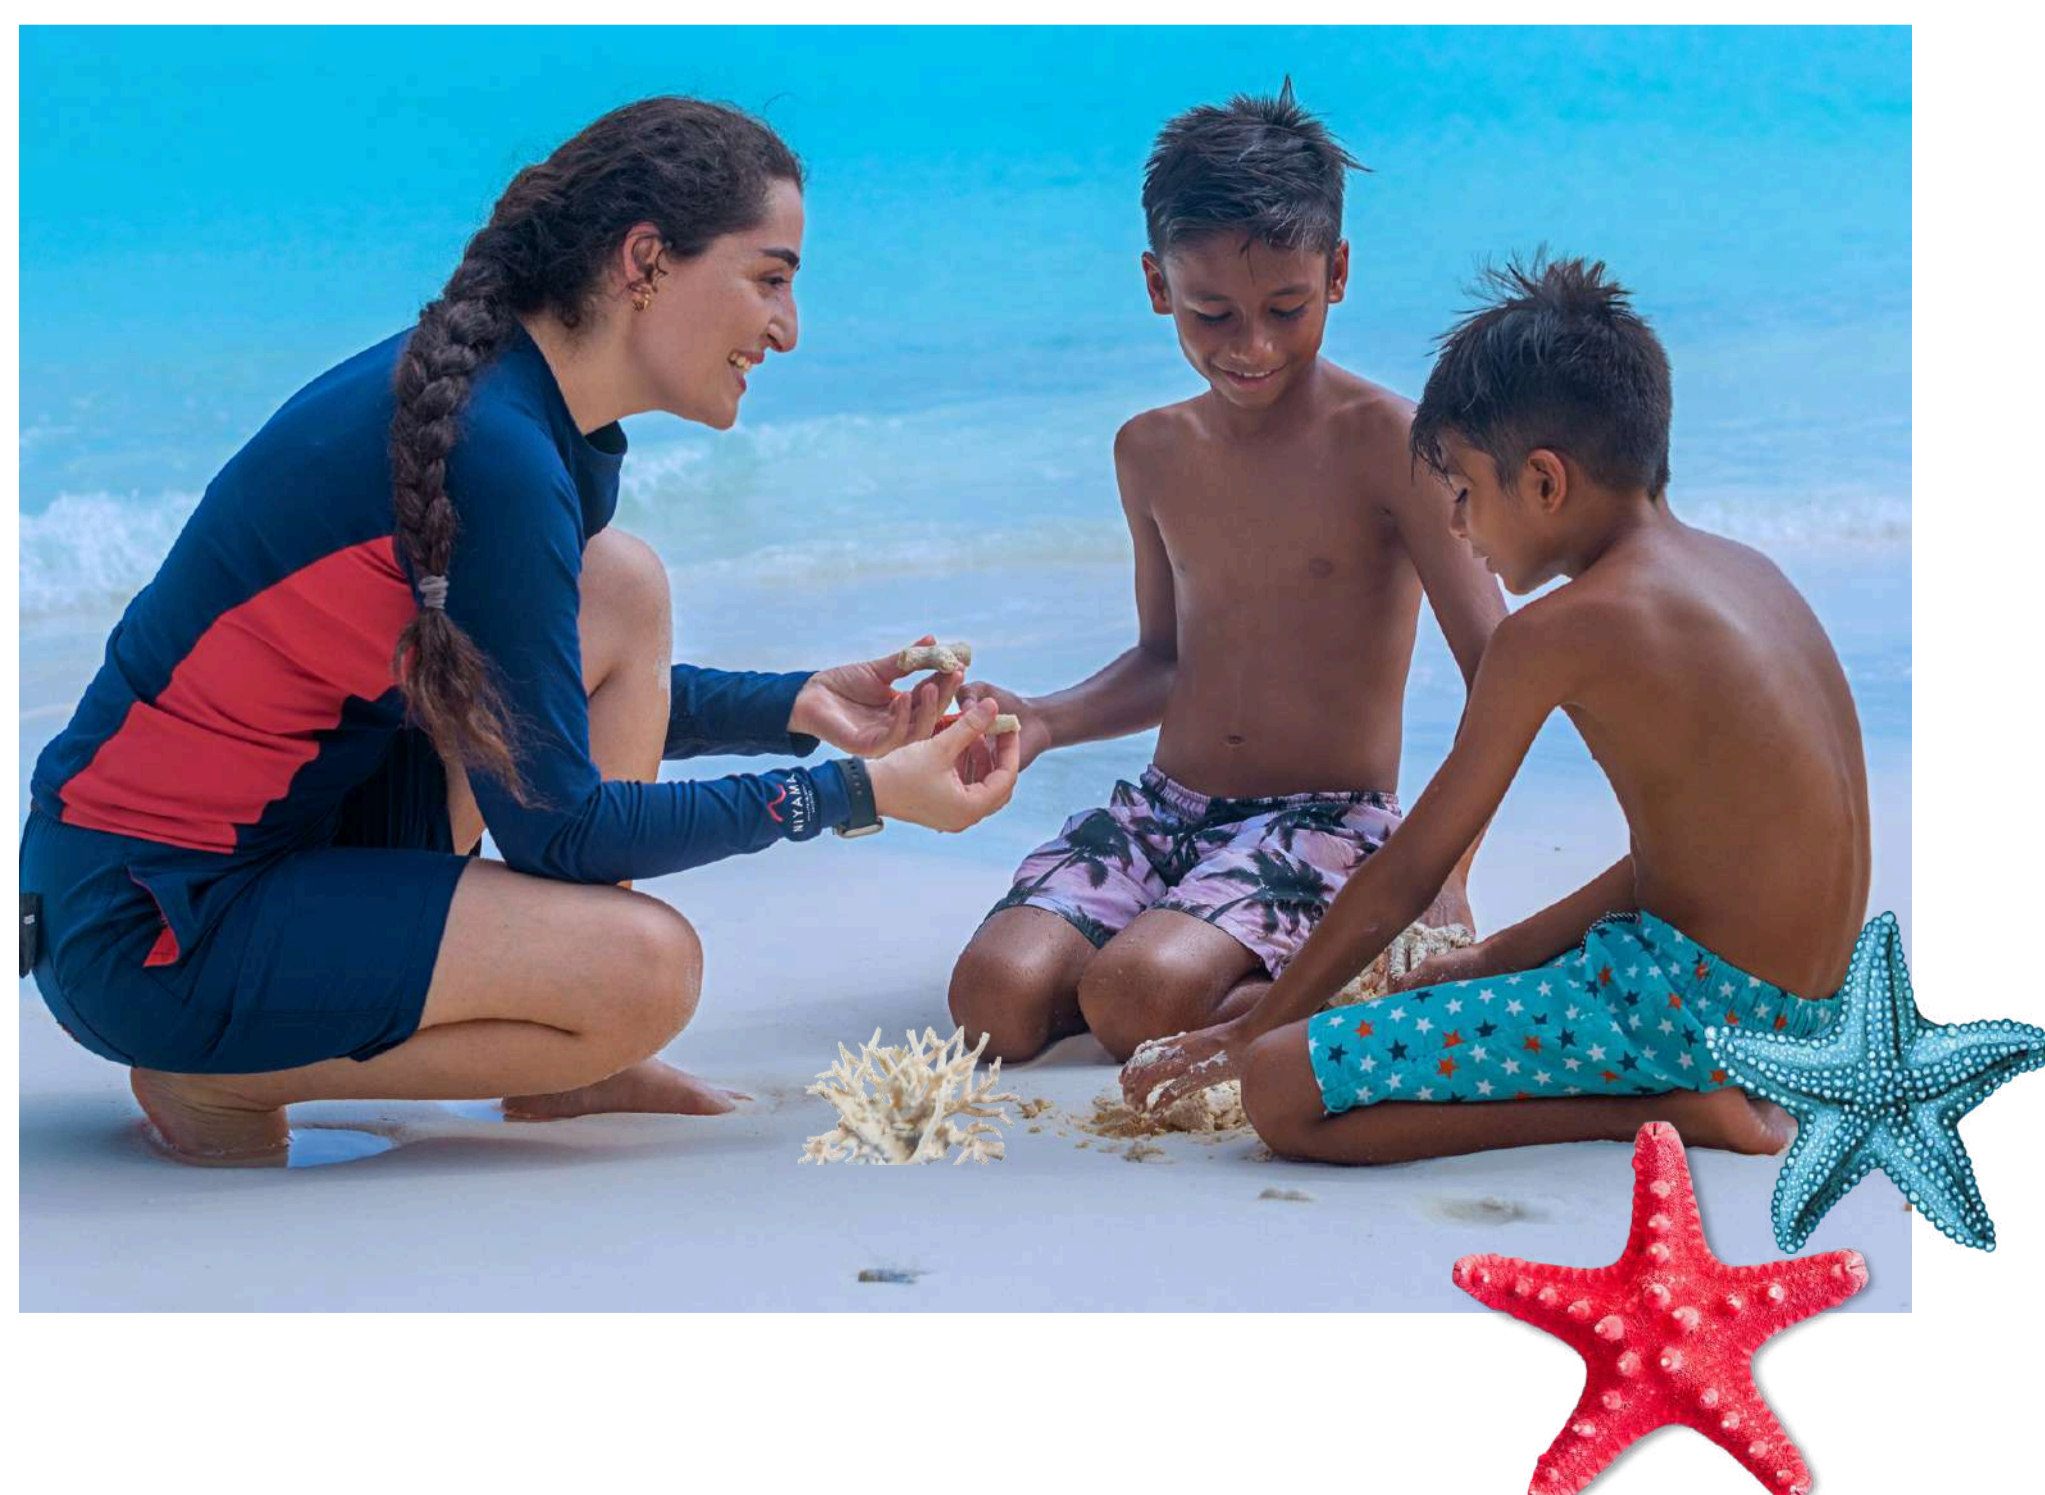

TIME: 9:30 AM - 5:30 PM

Dive into the wonders of the ocean with our Resident Marine Biologist in this immersive mentoring program. Participants will enjoy guided snorkeling and engaging classroom sessions, learning firsthand about marine life and ecosystems. Complete each course to earn certificates, and progressively build up essential gear on your journey to becoming a Junior Marine Biologist.

Open for children aged 5-12 years old.

Embark on this unforgettable adventure, where learning meets fun, and young minds are inspired to protect our oceans!

For more details contact your Thakuru or our Marine Biologist on WhatsApp at +960 730-4906.
