

**EVENTS THAT DAZZLE
THE IMAGINATION**

RESORT MAP

TWO ISLANDS. ENDLESS POSSIBILITIES.

Nature's Playground offers more than a luxury retreat in the Maldives. Going **beyond conventional concepts** of lavish accommodation, splendid cuisines, and lavish services.

With two lush islands, surreal settings above and below the water, and the beautiful Indian Ocean surrounding, Niyama Private Islands Maldives plays host to events beyond compare.

Models stride across the lagoon catwalk, singers perform on a stage set half a kilometre out to sea, and cocktails and canapes are served up in the treetops or six metres below the ocean's surface. Imagine the most daring of settings for your event, and we bring it to life.

ARRIVE IN STYLE AT NATURE'S PLAYGROUND...

Transfers from Velana International Airport to the resort are provided either by seaplane (45min) or domestic flight (30 min) followed by a boat trip (10min)

WEDDING & EVENTS

Underwater proposals. Marriage vows on the beach. A reception on a deserted island. At Niyama, romance is limited only by your imagination.

Distance is no problem, with a team of planners, make-up artists and photographers on the island, and entertainers flown in from around the world.

EXCLUSIVE DINING IN THE MALDIVES

We also host out-of-the-box events, with equally out-of-the-box meeting spaces – think a pod in the trees or a deck in the middle of the ocean.

TRULY TOGETHER IN PARADISE

Let us curate the ultimate family escape, experience culinary gastronomic dining beneath the sea, chef's garden or on the beach, paired with fine wines.

Surf at the resort's private wave. Go on family snorkelling trip and explore the marine-life of the Indian Ocean. Indulge in ancient Ayurvedic treatments or simply chill on the white sandy beaches. Little ones can let their imagination run wild at our Explorers Kids Club Day program.

This is your invitation to recharge and reconnect away from everyday demands. To simply be.
