

PATRICK GELENCSE

MASTER CHOCOLATIER

IN-RESIDENCE:

21st February - 25th February 2025

Patrick Gelencser was born with the art of temptation in his blood. The third generation of the House of Gelencser, he is one of only 15 chocolatiers in France who practise bean to bar creation, with numerous international awards to his name. Each of his bites are crafted with passion and precision, so exquisite they are showcased in a chocolate museum in the picturesque Loire Valley, as well as almost half a dozen boutiques.

Now, guests of Niyama enjoy the honour of seeing the master at his craft, as he hosts tasting nights across the resort's spectacular settings.
