

# SURF & AQUATIC LIFESTYLE PHOTOGRAPHY

## WITH RHYS & MERET

### In-Residence

Rhys and Meret are a surf photography couple capturing the essence of wave-riding and aquatic lifestyle through water, drone, and land-based imagery.

They've travelled extensively, shooting in the Maldives, Fiji, Indonesia and Central America. With years of experience working at multiple resorts, they know how to be in the right place at the right time. Their photography blends adventure, ocean knowledge, and a love for storytelling. Each image reflects the raw beauty and rhythm of life by the sea.
