Dear Valued Guests,

Niyama Private Islands is Nature's Playground!

We are thrilled to announce the exciting refurbishment at the resort, following our ongoing dedication to improving our resort's facilities and services. As a result, there will be a temporary closure of "Edge Restaurant & Bar" and "Subsix Restaurant". Please accept our apologies for any inconvenience this may cause. We are pleased to inform you that all of our other restaurants will remain open during this period, operating as per their normal timings including some memorable dinners on the beach.

- **Edge Restaurant & Bar** - The work will commence on 1st September 2024, expected to be completed by 2nd October 2024. During this period as dining options for Edge Restaurant we will be offering Edge Pop-up Dining from 6:30 pm to 10:30 pm twice a week, under the stars on Dune Beach.
- **Subsix Restaurant** - The work will commence on 1st September 2024, expected to be completed by 2nd October 2024.

While our resort remains a preferred choice of many families and leisure travellers alike, we plan to provide the very best resort experience to our valued clients.

We offer our sincere thanks for your continued support and we look forward in welcoming you at Nature's Playground. Do not hesitate to contact us in the event you need any further clarification - please email us at reservations@niyama.com or call us at +960 676 2828.
